

MJDS Library

Birthday Book Program

**Give the Gift
of Reading!**

Your child will be able to select a new book from the library, which will feature a special book plate in honor of his/her birthday. Once the book is ready to be checked out, your child will be the first to check it out and it will remain in the library's collection for other students to enjoy.

**Donate a Book to the
MJDS Library in honor of
your child's birthday or
half birthday!**

Please return forms at least a month before your child's birthday.
