

# MJDS Strategic Plan 2020-21 • 5781

Each teacher will communicate with families at least once a month during in person learning and at least twice a month during virtual learning through phone, text or email.

During in-person learning, students in will consistently use student planners to document learning responsibilities. In the event we move to distance learning, teachers document daily assignments virtual notebooks daily.

Retain 95% of current controllable MJDS students for the 2021-22 school year through community building, outreach, excellent customer service and clearly communicating our academic excellence and mission-driven outcomes.

All staff will know our families' stories and positively engage our MJDS community through consistently living our beliefs.

Staff will further their professional growth either by commenting/ responding in the MJDSLearns online discussion board or by attempting implementation of a new strategy/tool that will enhance student learning.

MJDS will work closely with MJF to ensure proper cleaning and upkeep of building using best practices during the COVID-19 crisis.

Achieve 2020-21 annual fund goal of \$300,000 by working collaboratively with the Development Committee and through effective cultivation/ stewardship.

Recruit 20+ new students to MJDS for the 2021-22 school year through targeted recruitment tactics including events, personal outreaches and excellent tours.

Head of School visits every teacher at least once every other week, providing feedback aligned to our mission/ values/beliefs.
